Property Description

Step into history with this beautifully updated adobe home nestled on 2.1 acres, complete with farm water rights—ditch flood irrigation water twice a month for one hour. This property features mature trees including 10 pecan, 2 fig, 3 pomegranate, and 1 apricot and the addition of a prickly pear cactus (the fruit and pads are edible). Outside is a pen for desert tortoises, a chicken coup for chickens, roosters, and ducks, a building used in the past for a summer kitchen, a carport, and 3 car carriage house. Inside, modern upgrades blend in with the historic charm. The home has been re-insulated with cellulose, updated with a tankless water heater, replumbed with PVC plumbing, re-wiring in the garage, new Aquasure whole house water filtration system water softener, and new reverse osmosis system. The remodeled kitchen boasts of abundant cabinetry, granite countertops, and a cozy office space just off the kitchen. Enjoy multiple gathering spaces with a spacious den featuring a fireplace, two large picture windows, and dual ceiling fans, and a welcoming living room with its own fireplace. The large master suite offers a private retreat with a walk-in closet, and a Jacuzzi tub with shower. This unique property combines modern comfort, historic character, and agricultural potential—don't miss the opportunity to make it your own!
