Property Description

Nestled in the picturesque village of Cloudcroft, this 2020-built custom home sits on approximately 0.5 acres of mature trees, and plenty of wildlife. Property is just steps from the Lincoln National Forest! A wrap-around, paved driveway provides easy access to a spacious garage and a convenient ground-level entry to the main living areas. A beautifully covered deck extends your entertaining space outdoors, perfect for cool mountain summers and snowy winters. Step into the open-concept living and kitchen area with stunning vaulted wood ceilings that elevate the sense of space. The modern kitchen has ample counter space, quality appliances, and thoughtful layout for easy cooking and entertaining. The main floor also features a laundry area and a convenient half bath for guests, and also a generous primary suite with tranquil, retreat-like ambiance. The primary suite has a large en-suite bath with double sinks, walk-in tiled shower, soaking tub for those relaxing days and a nice sized walk-in closet. The second floor features two additional bedrooms, perfect for guests, family or even a home office. There is also a convenient second bath for the guests. The in-home garage entrance is integrated into the lower-level living space as well. Let's not forget about the outside living space, with a large covered deck that is linked to the main living space, making this ideal for year-round entertaining. Enjoy the cool mountain summers with shaded outdoor living, or savor snowy winter days with a cozy, sheltered space. This thoughtfully designed custom built home is focused on comfort, durability, easy living with nice finishes, natural light and storage throughout the home. Within proximity to outdoor recreation, village shops, dining, and seasonal events. This home is perfect for those seeking a peaceful setting with modern amenities, mature trees, and wildlife right outside the door! Schedule your showing today!
