Property Description

Strikingly updated mountain home on nearly half an acre in one of the Village's most private settings. Every room has been tastefully renovated, including a upgraded kitchen, fully finished oversized basement/garage, bonus room in downstairs could work as an additional room or office, new flooring, fresh paint, and custom interior shutters. Modern comforts include stainless appliances and a whole-home water filtration and softening system. Outdoor living shines with an expansive covered deck overlooking a wildlife-rich meadow, while the front deck features premium Nexan aluminum decking and custom powder-coated railings. The property also offers a high-end fenced dog run with pet-grade turf, additional artificial grass, new exterior trim, and a newly painted roof. With a driveway connecting Woodlands Way and Blanca Vista, supreme privacy, and one additional lot included, this residence is ideal for luxury full-time living, a refined vacation escape, or an exceptional short-term rental opportunity. Sq footage in listing doesn't reflect finished basement/garage or downstairs bonus room. Feels much more spacious in person.
