Property Description

An authentic log cabin located in the village of Cloudcroft. This two bedroom, one bath cabin has the look and feel of the genuine log cabin it is with cathedral ceilings over the main living area featuring log beams that enhance the cabin feel. The open living area has the kitchen, dining area and the living room with a woodstove for those chilly winter nights. The two bedrooms are large enough for queen size beds. The bathroom has a tub/shower. The open loft area adds additional sleeping space or a good space for just hanging out. Outside there is a covered porch that goes the full width of the house. Just the place to relax with a morning or evening drink as you listen to the rustling of the aspens and the pines in the yard.
