Property Description

Fabulous fixer upper in a prime location in the Cloudcroft Village on 3 lots. Amazing views of the White Sands Basin and Spectacular Mountain Sunsets off of the back deck. The exterior is ready to go with a newer roof, windows, and a foam insulated stucco siding. The interior needs a little TLC, mostly with flooring, appliances and paint. There is an extra lot that would be great for a lesser grade access to the back of the property. Walk straight out of the back and you will be near the main drag on Burro St with all of the shopping and restaurants. This cute property only needs your vision and finishing touches!
